**Includes:** Gaskets, door stop and screws.

**Use:** Residential bath and commercial hotel applications

### FINISHES

Chrome DSWG90-C

Black DSWG90-BK

### GLASS INSTRUCTIONS:

No Specific glass type required

### CARE & CLEANING GUIDELINES:

For best results, keep the following recommendations in mind when caring for your Opus shower door hardware. Your shower door should be dried daily with a soft towel or cloth to ensure its original finish. Do not use harsh cleaners or chemicals on the hardware, as many of the components are coated with a clear lacquer that will become damaged beyond repair. Always test your cleaning solution in an inconspicuous area prior to cleaning the entire hardware surface. Wipe surfaces clean using a soft, dampened cloth or sponge, and rinse completely with warm water immediately after applying the cleaning solution. Use only small amounts of a gentle liquid cleaner. Never use abrasive products, sponges, or wire scrub brushes while cleaning hardware.
